

My next ride

A one-page plan for a manageable outing. Fill the fields in a PDF reader, save a copy, or print it. Check current official access and conditions before departure.

Date / group

Route / destination

Official access source, checked date and bicycle class

Starting point / parking plan

Planned distance / turnaround

Return time and meeting point

What I am taking and what I need to check

What would make me shorten, cancel or change the outing?

My contact / offline information / backup plan

Keep personal details private. More buying guides and the complete-setup calculator: adventurecalledlife.org. This worksheet is a planning aid, not a live route or safety assessment.
